Errata

8 June 2014

SPECIAL THANKS TO

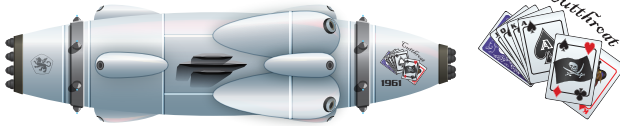

Bill Aguiar, Karl Akkerman, Derick Chan, and numerous members of both David's forums and Baen's Bar.

COLOR PLATES
HMLAC CUTTHROAT

A missing typeface during production caused a problem with Cutthroat’s nose art. Here is the correct design:

HMLAC “Cutthroat”, LAC-1961

COLOR PLATES
GSN OFFICER RANKS

“High Admiral” should be replaced by “Fleet Admiral.”

PAGE 277
HIGGINS, ALLEN

Operation Thunderbolt began in 1918 PD, not 1919 PD.

PAGE 364
SAGANAMI-C-CLASS HEAVY CRUISER

“Number Built” should be listed as 149+. The Saganami-C is still in active production as of 1921 PD, with over one hundred authorized as part of the emergency construction programs authorized after Operation Thunderbolt.

PAGE 469
OFFICER’S SERVICE DRESS

The GSN crest is worn on the left shoulder, not the right.
